

Pembroke Corporate Bond Fund

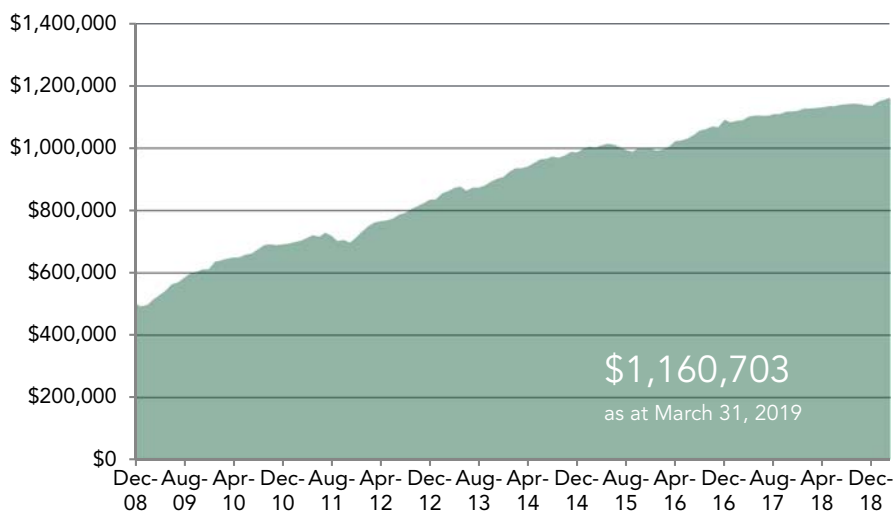

Investment Objective & Strategies

The investment objective of the Fund is to achieve above-average income returns through a diversified portfolio composed primarily of debt and money market securities. As a result of its value strategies, the portfolio may occasionally be invested in other securities such as convertible bonds, equities and income trusts.

The Fund invests primarily in Canadian bonds denominated in Canadian currency. It also invests in foreign bonds denominated in Canadian currency. The Fund also invests in Canadian, foreign bonds, and other securities denominated in U.S. dollars and other currencies. The sub-advisor will attempt to hedge all exposure to foreign currencies.

DISCLAIMER

The Fund is offered only on a private placement basis and only investors who are "accredited investors" within the meaning of the applicable securities rules may purchase the fund. Commissions, management fees and expenses all may be associated with pooled fund investments. Please read the term sheet and subscription agreement carefully before investing. The indicated rates of return are the historical annual compounded total returns including changes in unit value, reinvestment of all distributions and do not take into account the management fees or income taxes payable by any security holder that would have reduced returns. Pooled funds are not guaranteed, their values change frequently and past performance may not be repeated. This fund is only available to Canadian residents.
