Summary of Investment Portfolio

The Top 25 Holdings and Summary of Investment Portfolio may change due to ongoing portfolio transactions of the investment fund. This list is updated quarterly, 60 days after quarter end.

Commissions, management fees and expenses all may be associated with mutual fund investments. Please read the prospectus before investing. The indicated rates of return are the historical annual compounded total returns including changes in unit value, reinvestment of all distributions and do not take into account sales charges or income taxes payable by any security holder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently, and past performance may not be repeated.
